This Disclosures document explains the nature of the content and relationships related to the Studio Space website (<https://studio-space.netlify.app>), which serves as a personal portfolio for Sujai.

1. General Content Disclaimer

The content presented on this Site, including the resume, skills, and portfolio projects, is intended for informational and demonstrative purposes only. It is a showcase of creative abilities, learning experiences, and professional interests.

2. Not Professional Advice

The information provided on this Site is based on my personal education, experience, and opinions as a student.

- **No Formal Advice:** The content is not intended to serve as professional, legal, or financial advice.
- **Design/Skill Showcase:** While the projects demonstrate skills in HTML, CSS, JavaScript, and design, they are examples of work in progress or completed projects. They should not be taken as professional recommendations or guarantees of successful outcomes if applied to your own work.

3. Accuracy of Information

I strive to keep the information on my resume and portfolio accurate and up-to-date. However, I make no guarantees regarding the completeness, accuracy, reliability, suitability, or availability of the information, products, services, or related graphics contained on the Site for any purpose.

4. No Affiliation or Sponsorship (Non-Monetized)

- **No Compensation:** As a student portfolio, this Site currently **does not** contain any advertisements, sponsored posts, or affiliate links.
- **No Endorsements:** I do not receive any commission or payment for linking to other websites or mentioning any companies, products, or services. All links to external sites are provided only to reference my work or related tools.

5. Educational and Practice Work

Some projects showcased in the portfolio may be for educational purposes, practice, or hypothetical clients. These pieces are meant to demonstrate design principles and technical

skills.
